

## Trade and other payables

<b>Thousand euro</b>	<b>31.12.2018</b>	<b>31.12.2017</b>
Trade payables	647,061	1,084,714
Advances of trade receivables	-	55,555
Other account payables	73,961	77,829
<b>TOTAL</b>	<b>721,022</b>	<b>1,218,098</b>

The fair values of these payables do not differ from their carrying amounts.

The breakdown of trade payables settled during 2018 and 2017 those pending of payment at the year-end in relation to the legally-permitted payment terms stipulated in Spanish Law 15/2010 of 5 of July, is as follows:

<b>Days</b>	<b>2018</b>	<b>2017</b>
Average payment period to suppliers	72	78
Paid operations ratio	72	82
Outstanding operations ratio	74	71

<b>Thousand euro</b>	<b>2018</b>	<b>2017</b>
Total payments made	942,354	1,065,764
Total outstanding payments	266,925	764,822

While some companies have exceeded the time limit to domestic suppliers established in Law 15/2010, since 2016 a series of measures have been launched essentially intended to the identification of the deviations through the monitoring and periodic analysis of the accounts payable to suppliers, of the review and improvement of internal management procedures of suppliers as well as the compliance and, in its case update, of the conditions laid down in the commercial operations subject to the applicable regulations.
